Try to remember the kind of September,
When life was slow and oh so mellow.
Try to remember the kind of September,
When grass was green and grain was yellow.
Try to remember the kind of September,
When you were a young and callow fellow.
Try to remember and if you remember –
Then follow!

Try to remember when life was so tender,
That no one wept except the willow.
Try to remember when life was so tender,
That dreams were kept beside your pillow.
Try to remember when life was so tender,
That love was an ember about to billow.
Try to remember and if you remember –
Then follow!

A Pretty Girl . .

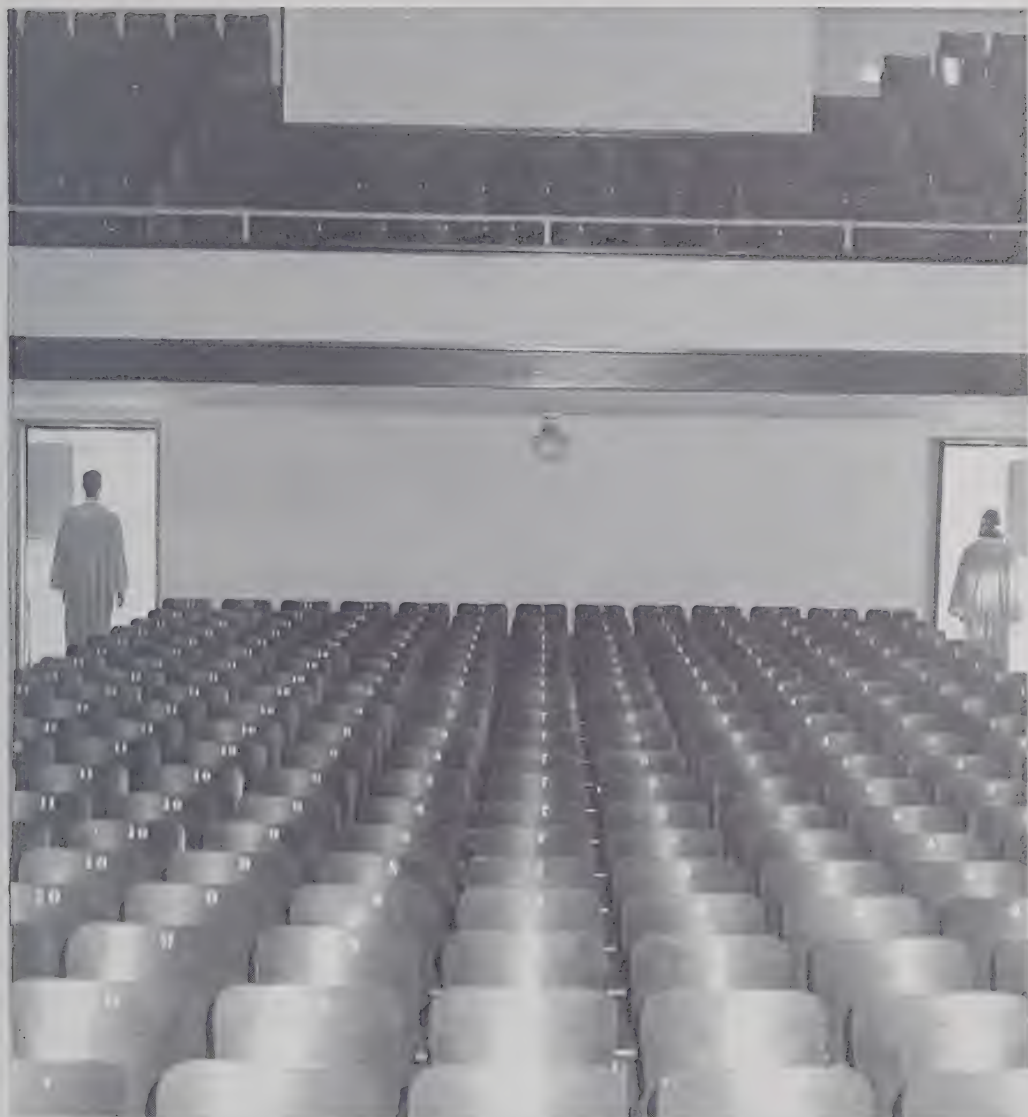

A new trend was set this year as the Student Council sponsored a semi-formal dance at the new YMCA. The queen and her court were presented at intermission. This was truly a "dream" come true for many!

Hail to the Red and White!
Hail to our Alma Mater;
Ready we stand, to her just demand
To keep our future bright.

Sing Carolina's praise!
Hendersonville always!
Loyal and eager stand we now,
Pledged to the Red and White!

Deep in December it's nice to remember,
Although you know the snow will follow.
Deep in December it's nice to remember,
Without a hurt a heart is hollow.
Deep in December it's nice to remember,
The fire of September that made us mellow.
Deep in December our hearts should remember —
And follow !!!

REMEMBERED

Not on our golden fortunes builded high—
Not on our boasts that soar into the sky—
Not upon these is resting in this hour
The fate of the future; but upon this power
Of her who is remembered.

She seeks no office and she asks no praise
For all the patient labor of her days.
She is the one supporting the huge weight;
She is the one guarding the school's gate.
She bears the burdens of these earthly ways;
We pile the debts; she is the one who pays.
She is the one who holds the solid power
To steady students in their trembling hour.
Shall then this woman be forgotten?
Do something for her; let her never be
Forgotten.

Administration

Our school system is operated by Hendersonville City Board of Education whose members are appointed by the City Commissioners who are elected by the people. Few people realize the amount of effort that the Board devotes to the school system. It is the duty of the Board to engage personnel to maintain buildings and facilities, and most importantly, to obtain necessary funds. The Board works through the superintendent, who has direct contact with school personnel.

School Board

LEFT TO RIGHT: Mr. Ben Prince; Mr. Henry Marsh; Mr. Hugh Randall; Mr. John Gregory; Dr. James Lutz. (Not present at the time of the picture was Mr. C. E. Livingston).

If teachers and pupils work together in the classrooms, they cannot be insensitive to overtones of the cultural problems and the issues that come to the forefront in homes and in schools. I wish to congratulate Hendersonville High School in the way it is dealing with these cultural developments in a way that adds to the dignity, freedom, moral stamina, and well-being of this community.

Hugh D. Randall

The Laureate for many years has been thought of as a mirror to reflect the life, the thought, and the spirit of Hendersonville High School.

I am sure that your labors on the 1967-68 Laureate have been pleasant and rich in meaning.

Congratulations to you and the entire Senior Class.

C. M. King

As you try to remember through the pages of this Laureate, may your memories be pleasant of your days at HHS. As you recall friends, classes, and activities, may you feel proud of the record you have made individually, as a class, and as the Student Body in upholding the traditions and standards of the school.

I wish for each of you the very best in the years ahead.

Student Council

Faculty Advisor
Mrs. Croft

The Student Council is a representative body of students consisting of four officers, one delegate from each homeroom, and department heads from the student body at large. The primary objectives of Student Council are to serve the school and develop leadership in the students. The Council meets every Wednesday morning at 7:45 AM. Much of the planning for these meetings is carried out by the Executive Board, consisting of the officers; President—John Porter, Vice-President—Powers English, Secretary—Sandra Rogers, and Treasurer—Sam Neill. These officers work together with the Faculty advisor, Mrs. Croft. However, most of the actual work is done in committees and by the representatives themselves.

During 1967-68 the Student Council began several new projects at H.H.S. A Freshman Orientation was held at the first of the year to acquaint new students with the school. The Interclub Council was established to improve club relations and cooperation. A Leadership Clinic was conducted for the purpose of developing student leaders. Preparations were made to help establish an active Student Council at the Junior High School. An AFS Fellowship was held in February for all N.C. Foreign Exchange Students.

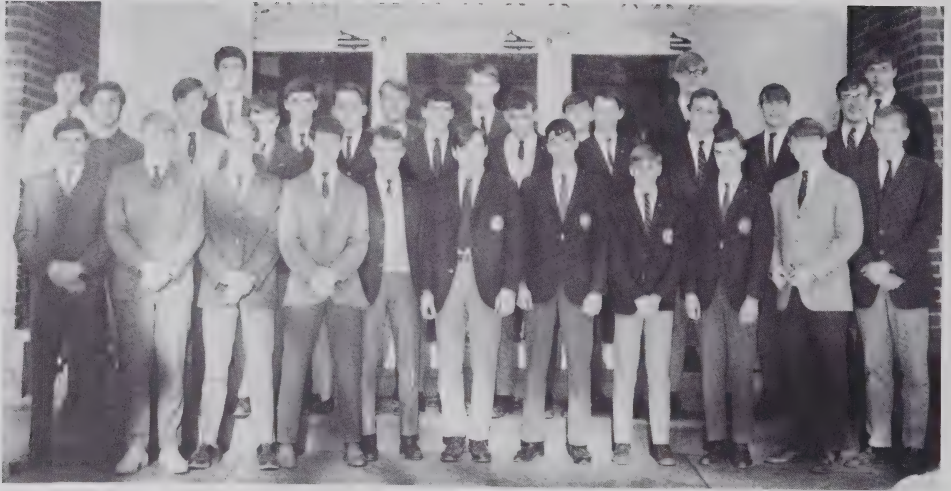

Student Council Members Serve School

Aside from these new projects, the Student Council has endeavored to serve the school by sponsoring a public telephone, helping with the Diabetes Detection Drive, installing a suggestion box, beginning study halls before school, aiding the special education classes, promoting the Mental Health Workshop, controlling line-breaking, and staging a Student Council Assembly. The Student Council has honored others by giving flowers to the teachers during National Educational Week and giving turkeys to the janitors at Christmas.

In the social area the Student Council has sponsored several soc hops, the Homecoming Parade and Dance, the Twirp Dance, and a Graduation social. Main financial projects have been the sale of balloons at football games and the Bottle Drive in March.

Much of the Student Council's energies have been devoted to the improvement of the conduct, attitude, and co-operation of the Student Body.

Character, Scholarship, Leadership, and Service — these are the four main qualities which the members of the Valentine Chapter of the National Honor Society possess. Each year the top five per cent of the Junior Class and the top ten per cent of the Senior Class are tapped for membership at a special induction assembly.

The main purpose of the National Honor Society is to promote scholarship among students and to render service to the school.

Future Teachers Of America

Mrs. Brown
Sponsor

The Future Teachers of America seeks to help those students of H.H.S. who are interested in the teaching profession. Teaching is a career which requires knowledge, wisdom, patience, and understanding. The F.T.A. tries to cultivate these characteristics.

The F.T.A. projects for the year included collecting toys for "Santa Pal," sending representatives to the state convention, honoring the faculty at a tea, college "Visitation Day," and presenting the senior members with a tea.

Latin Club

To place emphasis on Roman Culture is the purpose of the Latin Club. The Latin Club of Hendersonville High School promotes a clearer understanding of the language upon which so many other languages are based.

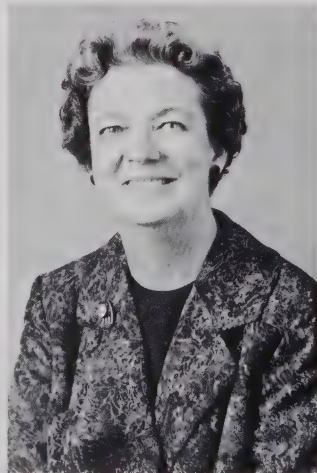

“What a pity that Latin, as scholars’ language, for the definition and registration of ideas, was ever abandoned! It has the incalculable advantage that the meanings of words are irrevocably fixed by authority.” — George Norman Douglas

French Club

Viva la culture! The French II and French III students enjoy meeting to experience and learn of the customs and color of La Republique Francaise. They enjoy indulging themselves in one of the most romantic languages of Europe.

At Christmas-time the students fill the halls with "Le Jeur de Noel" and the French Christmas spirit. The club meets once a month to hear speakers and view interesting films together.

Spanish Club

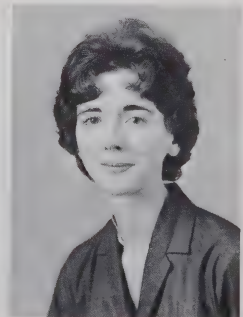

The increased interest in Spanish, as well as the worldwide growing importance of the Spanish language, encourages the Spanish Club of Hendersonville High School to give an insight of the customs and traditions of the Spanish-speaking countries to the Spanish II and III students.

El Circulo Espanol centers its activities around informal dinners, the construction of pinatas, occasional speakers, film-strips and slides, the singing of Spanish songs, entertainment of the Special Education classes, participation in the Inter-Club Council, and other worthwhile projects.

Future Homemakers Of America

The F.H.A. Creed expresses the true meaning of the club.

We are the Future Homemakers of America
We face the future with warm courage,
And high hope.

For we have the clear consciousness of seeking
Old and precious values.
For we are builders of homes,
Homes for America's future.
Homes where living will be the expression
of everything
That is good and fair.
Homes where truth and love and security and faith
Will be realities, not dreams.

We are the Future Homemakers of America
We face the future with warm courage
And high hope.

The F.H.A. girls did a marvelous job on the costumes for the major production, "The Happiest Millionaire."

Red And White Staff

*Dear Dolly,
Recently I have
been . . .*

The "Red and White" has done it again! Despite tremendous odds, the school newspaper staff has pulled through and published eight action-packed issues. Included in these issues were informative news articles and exchange columns, thought-provoking editorials, exciting sports articles, and humorous (?) features.

The "Red and White" staff is composed of writers, photographers, artists and advertisers, all of which are under the leadership of one or more editors. Each member of the staff plays a vital part in the publication of each issue.

This year, besides selling advertisements and papers and sponsoring soc hops after several football and basketball games, the staff also sponsored a cheer-leading clinic and some of the victory ribbon sales.

Class of '68 prepares for senior play.

Athletics

Athletic Director

Our director of athletics, Coach Hunt.

Athletics for all is the view taken by the coaching staff at Hendersonville High School. A two year physical education program is mandatory and provides a good basic background to other sports. The major sports such as football, basketball, and baseball are supplemented by cross country, wrestling, tennis, and golf. Adding to this list the intramural competitions between homerooms each student has an opportunity to participate in a wide variety of sports.

The athletic staff also stresses team work and getting along with others. They "strive to encourage a spirit of fairness, observance of the rules, sporting attitudes toward teammates and opponents, and ability to "take it" in victory or defeat. Finally, athletics is considered an extension of the students' high school life to help him mature physically as well as mentally."

Varsity Squad Sets High Goals

The 'Cats have attained the most impressive record since the '64 netters won the state championship. As the Laureate goes to press the Varsity squad is confident of the combination of seniors Eric Orr, Bill Bailey, and John Porter teamed with the spark of juniors Powers English and Ronnie Moffitt. The team has done an excellent job in proving that sportsmanship and teamwork prove the best assets in sending their team and school on to victory. Much of the success can be attributed to the tremendous depth which the varsity cagers possess. The second team often took over and showed their ability to out perform their contemporaries. Coach Pardue has once again proven to be a master in producing great basketball teams.
